LUBRICATE

Smooth operation & reliable maintenance

PROTECT

Protection against wear, moisture & corrosion

CLEAN

Effective cleaning for demanding applications

PRODUCT PORTFOLIO

13 professional aerosol solutions Lubrication Maintenance Cleaning Protection

BLACK EDITION

Premium Lubricating Spray

PRODUCT PROFILE

APPLICATION

Industrial lubrication
and maintenance

KEY BENEFITS

- Lubrication
- Maintenance support
- Professional application

TECHNICAL DATA

Pack size: Refer to product pack
Specifications: To be confirmed
Safety / certifications: Add final data

LUBRICATING SPRAY

Lubricating Spray

PRODUCT PROFILE

APPLICATION

General-purpose lubrication

KEY BENEFITS

- Smooth lubrication
- Versatile use
- Maintenance support

TECHNICAL DATA

Pack size: Refer to product pack
Specifications: To be confirmed
Safety / certifications: Add final data

DWISS 40

MULTI PURPOSE SPRAY

PRODUCT PROFILE

APPLICATION

Rust remover & lubricant

KEY BENEFITS

- Loosens rust
- Lubricates
- Protects
- Penetrates
- Displaces moisture

TECHNICAL DATA

Pack size: Refer to product pack
Specifications: To be confirmed
Safety / certifications: Add final data

SPRAY PAINT

Aerosol Coating

PRODUCT PROFILE

APPLICATION

Industrial surface coating

KEY BENEFITS

- Aerosol coating
- Uniform application
- Maintenance / industrial use

TECHNICAL DATA

Pack size: Refer to product pack
Specifications: To be confirmed
Safety / certifications: Add final data

SILICONE MOULD RELEASE SPRAY

Mould Release Spray

PRODUCT PROFILE

APPLICATION

Easy demoulding • long-lasting effect

KEY BENEFITS

- Easy demoulding
- Long-lasting release effect
- Industrial use

TECHNICAL DATA

Pack size: Refer to product pack
Specifications: To be confirmed
Safety / certifications: Add final data

LITHIUM GREASE SPRAY

Grease Lubricant

PRODUCT PROFILE

APPLICATION

High-adhesion industrial lubrication

KEY BENEFITS

- Grease lubrication
- High adhesion
- Long-lasting effect

TECHNICAL DATA

Pack size: Refer to product pack
Specifications: To be confirmed
Safety / certifications: Add final data

CARBURETOR CLEANER

Cleaning Spray

PRODUCT PROFILE

APPLICATION

Powerful cleaning • fast drying

KEY BENEFITS

- Powerful cleaning
- Improves performance
- Fast drying

TECHNICAL DATA

Pack size: Refer to product pack
Specifications: To be confirmed
Safety / certifications: Add final data

CHAIN CLEANER

Chain Cleaning Spray

PRODUCT PROFILE

APPLICATION

Cleans dirt and removes oil & grease

KEY BENEFITS

- Cleans dirt & dust
- Removes oil & grease
- Non-chlorinated formula

TECHNICAL DATA

Pack size: Refer to product pack
Specifications: To be confirmed
Safety / certifications: Add final data

CHAIN LUBE

Chain Lubricant

PRODUCT PROFILE

APPLICATION

Wear and corrosion protection

KEY BENEFITS

- Wear protection
- Corrosion protection
- Long-lasting film

TECHNICAL DATA

Pack size: Refer to product pack
Specifications: To be confirmed
Safety / certifications: Add final data

AI 40

ALL IN ONE SHUTTLE SPRAY

PRODUCT PROFILE

APPLICATION

Specially formulated maintenance spray

KEY BENEFITS

- All-in-one maintenance
- Lubrication
- Professional application

TECHNICAL DATA

Pack size: Refer to product pack
Specifications: To be confirmed
Safety / certifications: Add final data

DS 30

MULTIPURPOSE LUBRICANT

PRODUCT PROFILE

APPLICATION

Industrial multipurpose lubrication

KEY BENEFITS

- Multipurpose lubrication
- Maintenance support
- Industrial application

TECHNICAL DATA

Pack size: Refer to product pack
Specifications: To be confirmed
Safety / certifications: Add final data

ORKA BUTANE GAS

Premium Butane Gas

PRODUCT PROFILE

APPLICATION

Fuel for lighters, torches and portable gas range / gas torch devices.

KEY BENEFITS

- High performance
- Clean burning
- Safe & secure

TECHNICAL DATA

Net weight: 225 g
Pack type: Aerosol can
Specifications: Refer to product pack
Safety / certifications: Refer to product pack

ZINC SPRAY

Silver Metallic Finish

PRODUCT PROFILE

APPLICATION

Silver metallic finish for compatible metal surfaces and suitable touch-up applications.

KEY BENEFITS

- Long-lasting protection
- Fast drying
- Strong adhesion
- Anti-corrosion

TECHNICAL DATA

Pack size: 400 ml
Finish: Silver metallic
Specifications: Refer to product pack
Safety / certifications: Refer to product documentation
